

Education and Training Item Writing

CETE at The Ohio State University, in conjunction with the Ohio Department of Education and the Ohio Department of Higher Education, requests your participation in writing and validating 2016-2017 End-of-Course (EOC) test items for the Education and Training career field. Upon completion of the Item-Writing workshop, you will be awarded a certificate with contact hours that you can submit for your continuing education requirements. [Sign up now](#)
