

# Ohio's 6<sup>th</sup> Annual Early Childhood Higher Education Summit

**September 23 – 25, 2020**

## Registration for the Higher Education Summit is Open

This year, we are excited to offer this VIRTUAL event to support teacher preparation programs. Sessions will occur over three days. Participants are able to customize the Summit experience by attending the days that meet their professional development needs.

We are excited to share the sessions below and will be joined by several state and national experts. Thanks to the generosity of our sponsor, the Summit is free to participants. We hope you will be able to join us!

The vision for our efforts is a clear educational pathway and seamless transition from entry in the field through a baccalaureate degree will be available for early childhood and T.E.A.C.H. scholars whose goal is to teach and/or support the education of children birth to 3<sup>rd</sup> grade.
