

A reminder that the OII offers online resources you can use with your students. In addition, you will find information below on resources available from InVEST, Next Gen Personal Finance, and Junior Achievement of Central Ohio.

OII's Insurance Educator of the Year Award- Nominations Due February 10, 2023

Do you know a teacher doing an outstanding job instructing on insurance/financial literacy topics in the classroom? Then nominate them for [OII's Insurance Educator of the Year award](#). The teacher and school receive monetary awards so it's well worth your effort to nominate a teacher – or yourself – for this award.

[Nominate a teacher online](#). The 2022 award winner was Cheyenne Moran from Miami East High School.

Nominations are due by February 10, 2023. Once the nomination deadline has passed, all nominated teachers will receive an email from the OII requesting material submissions to assist in the selection process.

Insurance Careers

Our insurance careers site was recently updated and has great information for middle and high school students on many of the career opportunities in the insurance industry. Students can explore careers pathways for 30 featured careers, watch videos of insurance professionals talking about their careers and more! Visit insurancecareers.org.

InVEST

[InVEST](#) is a program that educates high school and community college students on insurance, financial services and risk management topics, and encourages them to pursue a variety of careers in the insurance industry. They provide all the educational materials and tools necessary to launch an InVEST insurance education program. These interactive materials include an online e-book, lesson plans, textbooks and activities. To get the free resources, sign up to be an InVEST school [on their website](#).

Next Gen Personal Finance

[Next Gen Personal Finance](#) (NGPF) is a non-profit organization that partners with teachers by sharing timely and relevant curricular resources, providing effective professional development, and advocating to increase access to financial education. NGPF offers curriculum for middle school and

high school students covering topics from auto and health insurance to the fundamentals and financial impact of insurance. Access lessons plans, interactive tools and case studies [here](#).

Junior Achievement of Central Ohio – Financial Literacy Content

Junior Achievement of Central Ohio has a digital library of videos and activities for students to learn about financial literacy, work-readiness and entrepreneurship. This content is geared for K-5 students and can be found here: <https://sites.google.com/ja.org/ja-k5-vol-videos>
