

NC STATE UNIVERSITY

Your opinions are needed! Help us understand impacts of the COVID-19 pandemic to southeast forest landowners like yourself. Your responses will help strengthen landowner programs, forestry markets, and forest management policy.

Visit <https://go.ncsu.edu/covid-survey> or scan this QR code to access the survey. Thank you.

About the Survey

How did the pandemic affect you as a forest landowner? This survey explores changes and impacts to landowner revenues, networks, land management and stewardship practices, and future plans.

Who is participating?

Select landowners in 13 states.

Who is behind the survey?

Sponsored by USDA and run by researchers at NC State University, in partnership with University of Georgia and Auburn University.

Are my responses secret?

Completely! Your answers will be kept confidential and we will not ask you for sensitive or personal info.
