

FOOD GRADE GROWERS: Fall Harvest Instructions

Please read the instructions below for information on how to deliver your harvested crops.

DELIVERY TAGS

Each contracted grower requires tag(s) to identify their account and contract during crop deliveries. Your delivery tags are available electronically.

NEW THIS YEAR

Your delivery tags will be found through our Hensall Co-op Customer Information System (CIS).

CIS LOG IN

Logging in:

If you have never logged in to CIS you will need to register. This can be completed via your mobile device or through your desktop.

Accessing Delivery Tags is EASY once in the system

Instructions:

1. Once in CIS you will be directed to your landing page.
2. On the top tool bar select **Grain**, then select **Contracts** from the drop down box.

Select the contract that you will be delivering for.

TIP: All soybean contract numbers start with a P. All dry bean contracts start with a W.

The contract details will appear on the screen.

Click on **Shipments/Deliveries** below the Contract number written in red.

Your Delivery Tag will appear on the screen.

You will now be able to get a printable tag or save a screen shot on your mobile device that can be scanned at delivery.

Have questions? Contact your Hensall Co-op Field Marketer for further guidance.
