Overland Park, KS 66211

Dear Ms. Parsons,

Thank you for your interest in our products and the time you spent with me outlining your infection control needs to address your grant. Based on our conversation I have selected the following products that I believe will best meet the needs of your hospital to address their infection control needs. As per your request I am submitting pricing along with the corresponding literature. Please advise if you have any additional questions.

SC-ET Suitecase Electrostatic Sprayer110V	ESS-SC-ET 110V	\$3560.00
SC-EB Electrostatic Sprayer 30' Hose	ESS-SC-EB 110V	\$3560.00
