Upcoming Traffic Pattern Changes on SH-55

SH-55 & Middleton Road June 18

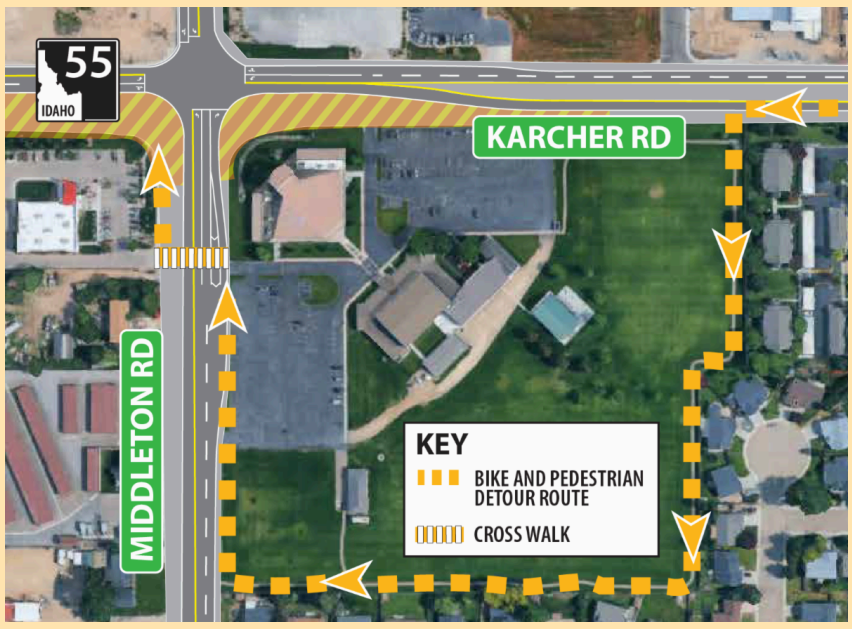

Crews will change the traffic pattern at the SH-55 and Middleton Road intersection on Thursday night, June 18.

The new traffic pattern includes:

- One lane open in each direction
- Dedicated left and right turn lanes at the intersection
- Bike and pedestrian detour route in place (see below)

Crews will change the traffic pattern at the SH-55 and Indiana Avenue intersection on Wednesday night, June 24.

The new traffic pattern includes:

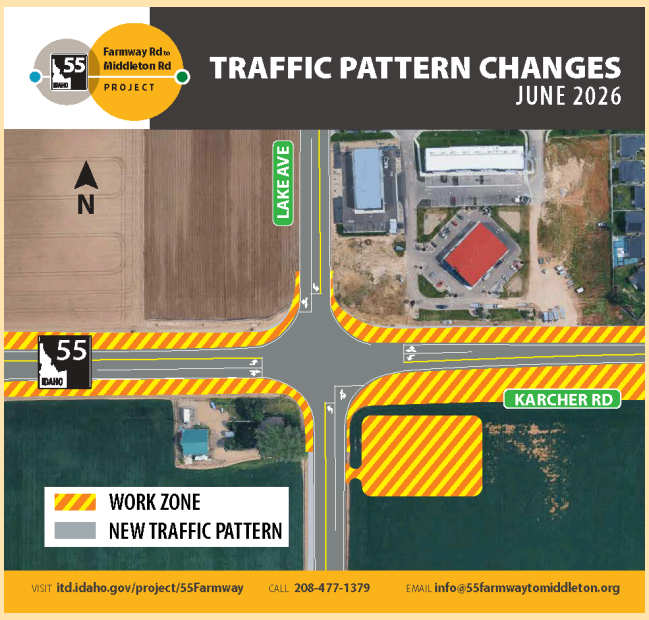

- One lane open in each direction
- Dedicated left turn lane at the intersection

Reminder: SH-55 & Lake Avenue

Crews introduced a new traffic pattern at the intersection of SH-55 and Lake Avenue last week.

The new configuration includes:

- One lane open in each direction
- Dedicated left turn lane at the intersection
