

# When You STAND TALL, You Don't Think Small

The Educational Service Center of Lake Erie West is exploring the opportunity to host motivational leadership speaker, Stand Tall Steve. Steve Bollar has a long career history from art teacher to principal to Superintendent of Schools. His 25+ year career has shown him firsthand how to face the challenges any organization can encounter and overcome them with creativity and communication. Cost will be determined based on interest.

## Focus Areas:

- Climate and Culture
- Leadership Development
- Idea Development

Can't Help

## Testimonials:

*"Steve's use of humor is invaluable. Humor makes the topic interesting and therefore memorable. It causes you to stop and remember to use a positive attitude with all aspects of the day. I loved the idea of improving 1% who can't try to make that a reality."*

**Joe Leary / Somerville School District**

*"Awesome!!!! I appreciated your ability to connect. You get what we go through each and every day."*

**M. Balandra / Teacher / West York Area Schools**

*"It was spectacular. I can see these ideas working at every level of our school culture. My staff was so entertained and excited about the things they learned from the workshop that they began putting them into practice first thing Monday morning!"*

**J. Ogbin / Administrator / Hopewell Township School District**
