

Sign up for a Committee Participation Form

ALA is "Member Driven"!

We encourage you to be actively involved in the business and affairs of ALA. Listed below are the Committees of the Association. If one interests you, please use this form to volunteer. Committee meetings are held during the January and June Dallas Markets (and potentially at the ALA Conference) in which your participation would be requested.

While some committees have limited sizes, most are not. You are especially encouraged to sign up for the Membership Campaign Committee and help us grow the Association.

Thank you for your interest.

Eric Jacobson, CAE
President & CEO
