Vision of SUCCESS

The secret of success has been considered for thousands of years. As man has evolved, so has his idea of success from a bountiful harvest to personal fulfillment. You can learn about the evolution of success by reading hundreds of books in the library to find your ideal model or *you can live it through Wood Badge*. From the instant you arrive on Day 1 until the final moment on Day 6, you live in the prototype of modern success.

How can such a lofty goal be attained in six days? Keep in mind that as a Scout Leader, you’ve already begun the journey. *By joining Scouting, you’ve reached out beyond the borders of your piece of the world to become a leader in an organization whose goal is to shape the Leaders of tomorrow; you have already established that you wish to impact the world and are searching for a new level of personal fulfillment.*

This is not just about Scouting, though, success cannot be compartmentalized. You will receive first hand experience in handling difficult situations and building on the momentum of the good times, maintaining personal character throughout. All of the knowledge has been honed down into these areas:

- ◆ LIVING THE VALUES
- ◆ MODELS FOR SUCCESS
- ◆ BRINGING THE VISION TO LIFE
- ◆ LEADING TO MAKE A DIFFERENCE
- ◆ TOOLS OF THE TRADE

Ticket

**Volunteering is time consuming now; how will I find time to “work my ticket”?**

Tickets are not synonymous with defining a new job; instead think of a ticket as bringing a new source of energy to your current position and unit. “I will enhance my current position as den leader by implementing the Den Chief program or network parents to assist at the pinewood derby.” As a matter of fact, you could design your tickets to make your current position easier and more enjoyable. After completing the Wood Badge course, you’ll have 18 months to work your tickets.

Eligibility

You must be a BSA registered adult and be fully trained for your registered Scouting Position. Outdoor skills training (Baloo or Introduction to Outdoor Leader Skills Training) is highly recommended, if not required for completion of Training for your position.

## Overview

Wood Badge for the 21st century has been developed for Cub Scout, Boy Scout, and Venturing leaders, as well as council and district leaders. Its focus is on leadership, not outdoor skills.

## Course Delivery

The first part of the Wood Badge course reflects unit meetings, while the second part uses a unit camping activity as its delivery model. Wood Badge Course is held at Camp Chief Little Turtle, Pleasant Lake, Indiana.

## Common Foundation

The course content and leadership principles introduced *apply to Scouters of all leadership positions* and will provide a common foundation of leadership skills to be used throughout all program areas. Most participants will also find the course applicable in their everyday lives at home or at work. *Comments from previous participants lauded the course as one of the best leadership-style seminars of any type they've attended.*

You will be living closely with new people and learning about each other. Throughout your many unique experiences and accomplishments, new and lasting bonds of friendship will be forged.

*You will have the opportunity to build a spirit of camaraderie that is unique to Wood Badge. You will be pushing limits, setting boundaries and growing as a leader, a team member and as a person.*

## Tuition

Fee includes food for both weekends, all course materials and housing for the first weekend. Every effort is made to keep the course fee to a minimum. In each course, the fee is based on estimated costs. A \$75 minimum deposit reserves a position on the course.

Earn the **EARLY CRITTER DISCOUNT** by paying remainder of fees by **January 5, 2019** (total tuition \$230. Last date to pay balance of fees is **February 2, 2019** to ensure participation in the course. Total tuition after February 2nd \$260.

Partial scholarships are available. For those that need it. Please also approach your unit committee and ask them for assistance. Suggest that they start a tradition of funding for training including Wood Badge. The unit benefits most from knowledgeable leaders and could assist in sending at least one leader through each course. Some employers may also assist with course fees as the skills acquired at Wood Badge will apply to your work life and are much less expensive through Boy Scouts of America.

## Medical

While Wood Badge *is not* a survival course, participants will be outdoors with lots of exercise and activity. Participants must complete a BSA Annual Health and Medical Record Parts A,B & C prior to participation in the course. Download the Form at [www.scouting.org](http://www.scouting.org).

## Uniform

Participants must wear a *complete* BSA Field Uniform for their Primary Scouting position, which includes "Scout shirt, Scout pants or Scout shorts, Scout belt, Scout socks and shoes or hiking boots." An Activity uniform is permitted at different times during the Course at the direction of the Senior Patrol Leader. One activity uniform shirt will be provided to participants as part of the course tuition; additional shirts can be purchased prior to the course. Activity uniform shirts are unique to each Wood Badge Course.

If you can't afford a complete uniform, check with thrift stores, garage sales, eBay etc. You may also consider borrowing from fellow Scout friends or Leaders in their unit. Many units also have a uniform closet or clothing bank.
