NFPA 101 (2018)

The 2018 editions of the **Life Safety Code (NFPA 101)** and the **Fire Code (NFPA 1)** were adopted into law as the NH State Fire Code on July 1, 2022.

A number of technical changes were made in the transition from the 2015 editions to the 2018 editions of the codes.

This class will provide an overview of the differences between the two editions to ensure a smooth and consistent transition to enforcement of the new State Fire Code.
