International recording artist and Emmy award winning composer Mark Wood, an original member of the multiplatinum selling Trans-Siberian Orchestra and creator of the revolutionary Viper electric violin, is bringing his groundbreaking music education program Electrify Your Strings to Cambridge High School. This exciting event will transform the student musicians into a full-fledged Rock Orchestra! Mark will be performing with the students on his handcrafted 7-string fretted electric Viper violin as part of the 2018-2019 Electrify Your Strings! "Discovery Tour" on date, venue, time. The audience will be entertained by Mark's original material, as well as his exciting arrangements of music by Led Zeppelin, The Beatles, and more.

To prepare for this concert, Mark will be teaching the students improvisation, composition, and personal expression on their violins, violas, cellos and basses. Utilizing Mark's music arrangements that were sent to the district prior to this visit, Cambridge Orchestra will perform in a live concert alongside Mark Wood. The concert is open to the public with all profits going to the school music programs.
