

It is very important for students to check their Fulton County email every day. There are daily announcements that allow students to learn about activities and important information about Cambridge. In addition, administration will be sending important emails about safety and security that all students need to read.

- To access the Fulton County email from any device, open a web browser and go to portal.office.com.

- Sign in using your Fulton County School Microsoft account that is in the format **Studentid@fcstu.org**.

- Your password will be your birthdate in the format mmddyyyy, unless you have changed it to a unique password. Once you log in, you need to select the Mail app to view your Fulton County School email.
