

Help from home

Remote Volunteer Projects

Please be safe and adhere to any social distancing or personal protection guidelines set forth by state and federal governments if you choose to go to retail businesses to complete these projects.

Make a donation through our website

Your gift will enable us to make a new life possible for 10 more families, giving them an education, secure housing and strong, supportive community bonds. While you're on our website, [check out the stories](#) of lives you've already changed.

Activity Packets

Put together activity kits for children or adults! All items must be new or unused. Some ideas could include:

1. Coloring pages
2. Simple instructions for origami, friendship bracelets or other hand crafts
3. Trivia questions, crosswords or other printed word or number puzzles
4. Small paint projects

Use Amazon to order our Wish List items

This is super easy! Order anything from our Wish List and it will be delivered directly to our door. We have lists on [Amazon](#) for monthly toiletries and cleaning supplies, office reopening, and new family household needs. [Check them out here.](#)

Host a gift card drive with your community

Gather up an e-group of friends and collect gift cards. We can always use gift cards from Walmart, Target, Amazon or grocery stores. All gift cards will be used for supplies for families.

Make wearable masks

This is a perfect at-home job that will help keep families, staff and volunteers safe when we can get back together. These can be for both kids or adults. [Find instructions here](#) or use your favorite pattern. *Please be sure to wash before donating.

Create encouraging messages for our families

We will post these messages in our online classes and in emails to brighten our families' days. Here are some options:

1. Write a card and send it to our offices.
2. [Find us on Facebook](#) and post a message, gif or photo on our wall.
3. Make a sign or drawing, take a picture of it and email the photo to: info@saranamabq.org

Sign up for future volunteer activities

We won't be apart forever! We have a list of all the jobs we will need volunteers for posted on our website. See what works for you and secure your spot! It'll give us (and you) something to look forward to!

Ready to deliver your generous gifts? All items from this list can be shipped to Saranam's offices at any time: **1028 Eubank Blvd. NE Suite F Albuquerque, NM 87112** but physical drop-off of these donations remains temporarily suspended.
