

Your colleague in orthopedic surgery

Dr. Dominic Campano is a fellowship-trained orthopedic surgeon specializing in joint replacement surgery and musculoskeletal oncology. He is available to see patients at ECU Health Orthopedics - Greenville, Maynard Children's Hospital and the Eddie and Jo Allison Smith Tower at ECU Health Medical Center.

Dr. Campano primarily treats adult patients, but will see both adults and children for orthopedic oncology concerns.

Available to see your patients for the diagnosis and treatment of:

- Benign bone and soft tissue tumors in adults
- Hip, knee and shoulder arthritis
- Infected total joint replacement
- Major fractures and trauma
- Malignant bone and soft tissue tumors in adults and children
- Metastatic bone disease
- Painful previous hip, knee or shoulder replacement

Commonly performed procedures:

- In-office biopsies and injections
- Outpatient direct anterior hip replacement
- Revision hip, knee or shoulder replacement
- Robotic-assisted total knee replacement
- Tumor excision

Education and training:

- Fellowship: Musculoskeletal Oncology, Jackson Memorial Hospital / University of Miami
- Residency: Orthopedic Surgery, Texas Tech University Health Science Center
