

Your colleague in nephrology

Dr. Dhruva Chawla is a board certified, fellowship-trained nephrologist at ECU Health Nephrology - Washington, located within ECU Health Multispecialty Clinic - Washington. He is also available to see patients at ECU Health Bertie Hospital Outpatient Specialty Clinic on the second and fourth Friday of each month from 8:30-11:30 a.m.

In addition to seeing patients for kidney conditions, primary care providers can refer patients with many medications or chronic conditions for a complex care consultation. Dr. Chawla will review your patient's condition and care plan, and provide recommendations to support ongoing care management.

Available to see your patients for the diagnosis and treatment of:

- Anemia
- Chronic kidney disease
- Electrolyte imbalance
- Kidney stones
- Uncontrolled hypertension

Education and training:

- Fellowship: Nephrology, University of Connecticut School of Medicine
- Fellowship: Geriatric Medicine, Mountain Area Health Education Center
- Residency: Internal Medicine, University of Connecticut School of Medicine
