## ARCADIAN CHORALE TO PERFORM SPRING CONCERT

### *“Songs of the Wild!”*

**Arcadian Choral** invites you to enjoy “***Songs of the Wild,***” a very special program celebrating the animal kingdom. The core work will be ***The Carnival of the Animals***, a delightful depiction of various creatures by French composer Camille Saint-Saens. The Choral will then sing contemporary choral works about the animals mentioned in *Carnival*, including lions, tigers, cuckoos, fossils, elephants, chickens, swans, and kangaroos.

This concert will also feature the **World Premiere** of “***The Bird-Donkey***” composed by the Choral’s Musical Director, **Marina Alexander**. The program will be accompanied by a chamber orchestra and include recitations of the witty poems specially crafted by Ogden Nash for each movement of *Carnival*.

The performance will take place on Saturday, June 7 at 8:00 PM at  
**Temple Shaari Emeth, 400 Craig Road, Manalapan, NJ.**

**Arcadian Choral**, an all-volunteer chorus now in its 32<sup>nd</sup> year, has continued to distinguish itself through many performances at **Carnegie Hall, Lincoln Center, and the NJPAC**, and fulfills its mission of bringing great music to the local community by performing at a wide range of local venues, including the Count Basie and Two River theaters. The ensemble is a member of **Monmouth Arts** and the **NJ Choral Consortium**.

Join us for a zoological fantasy that will entertain the whole family!

**Tickets: General Admission \$25.            Seniors \$22.            Students \$10.**
