Take the Anytime, Anywhere Initiative Business Pledge

At _____ we are proud to foster a community where all customers feel valued and respected. This commitment extends to parents who are breastfeeding their children.

We pledge to provide a welcoming and supportive environment for all breastfeeding parents. Breastfeeding parents are encouraged to sit comfortably and feed their children in any area open to the general public.

Our entire team is committed to providing a friendly and accommodating attitude to all patrons, ensuring a pleasant experience during their visit.

Our staff are trained to be advocates for breastfeeding families. If concerns are raised by other customers, employees are prepared to politely inform them that this business welcomes all patrons and that breastfeeding in public is a right protected under Minnesota law.

We adhere fully to Minnesota Statute 145.905, which states: "A mother may breastfeed in any location, public or private, where the mother and child are otherwise authorized to be, irrespective of whether the nipple of the mother's breast is uncovered during or incidental to the breastfeeding."

A "Breastfeeding Welcome Here" window cling will be placed in a viewable location for all who enter this business establishment.
