SPECIAL WEEKDAY OPPORTUNITY

CONVERSATION AND CONNECTION GROUPS

(4 Weeks, beginning the Week of September 12)

Led by Rev. Nicole Bates

So often, we sit side-by-side and week-after-week in the pews without truly getting to know one another. After a couple of years of isolation, made harder by political divisiveness and social unrest, our society is in desperate need of spaces for connection and conversation.

You are invited to be part of a Conversation and Connection Group. Days and times will be based on availability of participants. There may be an opportunity for an online gathering (if there is interest).

We know that change, growth, and healing can only come through curiosity, empathy, and courage. This is not a Bible Study, but an opportunity to move beyond small talk to practice curiosity, listening, and connection.

To indicate your Conversation and Connection Group interest and availability, please email Rev. Nicole Bates at nbates@northparkpres.org.
