

# Country Club Christian Church Youth Spring 2021 Calendar

Church is about community, and there are a variety of ways for youth grades 6 through 12 to connect with each other & with others at Country Club Christian Church! This calendar details opportunities from January to May 2021. Out of love & caution for each other and those in our wider community, we will use the necessary safety and sanitary practices at any in-person events, including social distancing and the wearing of masks. Last updated 11/15/2020.
