

## Jerusalem International YMCA

Dear Friends,

After two very difficult years, we at the Jerusalem International YMCA continue to strengthen our mission and build hope, love, and peace, with your support.

December, also this year, has been an exciting month, with the Christmas tree lighting, Christmas Fair, orphan children's party, Christmas concerts, Peace Pre-school holidays party, "Or B'Yerushalayim" Hanukkah candle lighting, Hanukkah children's plays, and more.

We are co-sponsoring with our partners an exhibit of Palestinian artists, an interfaith conference marking international human rights day, delivery of food aid packages to West Bank villages, we just launched our student council project with eight East Jerusalem schools, and we celebrated World Basketball Day.

We are accelerating renewal of the historic pool into a holistic therapy center! We are working to reactivate Peniel. More exciting news to come! We are grateful for your support which makes such events and programs possible.

If you are considering year-end giving, please consider a donation to the Jerusalem International YMCA via [do-nate here](#). In the comments box, specify "Jerusalem International YMCA."

Thank you for standing with us, for believing in this mission, and for helping us spread light in Jerusalem for all communities.

Happy Hanukkah, Merry Christmas, and Happy New Year!

With gratitude,

Fadi Suidan, Chief Executive Officer  
Mark Herzberg, Resource and Development Director  
And the entire JIY family
