Volunteer In Paradise

Are you or someone you know interested in supporting students and teachers?

Join our award winning volunteer program by becoming a VIP tutor.

“As a treat before the holiday break we had our 1st graders work on word puzzles. Each puzzle had 3 pieces to create words like COW, PIG, and DOG etc. I was assisting 4 students who worked as diligently as engineers to solve the puzzles. You could see their eyes light up as they figured out a problem. I thought, with a little help, these kids could go far. That’s why I come back three days a week - to help them go far.”

- Cathy McKeever

Become A VIP Tutor!

Benefits

Stay connected! Maintain the connections you've built and make new friends!

Make a difference! Share your time and talent. You will be appreciated by students and treasured by teachers!

Build community! The relationships you form with students and teachers make our community stronger.

Enjoy better health! Volunteering among adults provides proven physical and mental health benefits.
