There are 50 entries in the pleasure show. 80 stalls are coming. Vendor tents and food will be set up like last year . Ann reported that we will be waiving late fees to enter the pleasure show. Carl Dudash reported all is going well for the car show portion Sunday, August 14. He needs help Saturday to prepare the field for the cars to come in on Sunday. Carl needs volunteers to help park the cars on Sunday and sell raffle tickets for the 50/50. A movie/video was made last year titled "Horse Power meets Horsepower." We are excited to see the beautiful cars again this year.
