### **Meeting Minutes April 19 6:30 pm at Orleton Farm**

The meeting was called to order at 7:45 pm. A motion was raised to approve the minutes from the October 19, 2022, meeting. Tjasa Sprague approved with Wayne Wilcox as second. Ann Willey presented the details of the Treasurer's report which was approved by Marilee Wagner and seconded by Carl Dudash.

#### **Old Business**

Maureen Gamelli led discussion on the report of our annual spring seminar. She received much positive feedback from attendees who felt they benefited from the open format. Returning this year were Sarah Bates, Bruce Jones, Jeff Morse, and new this year, Barbara Akers. The clinic was represented by a wide range of driving experience as was evidenced by the variety of questions the attendees posed to the panel. Sarah's live driving demo was especially instructional. She was able to demonstrate the precision of the transitions and the horse's balance and quality of movement according to what the judge's expectations are at each test level. Club members voiced their enthusiasm for keeping the same format for next year and consider ideas for building on it.

#### **New business**

Discussion was raised regarding increasing our presence in the driving world. We are exploring ways to promote the club via better P.R. and advertising. In addition to expanding our Facebook site, we are seeking ideas for other ways to promote the club. Any members who have any thoughts and suggestions, or perhaps have Facebook skills to lend, please reach out to Harvey or Ann.

One thought raised is the possibility for CCDS to become eligible as a CAA club affiliate. For us to do that, we need 10% or 6 CCDS members to also have CAA membership. Ann will reach out to members to see if we have enough members to meet that requirement.
