**CONTRIBUTIONS WHILE SERVING ON THE JL POA BOARD:**

- Co-led replacement of Seacrest Services with new landscape contractor, irrigation contractor and accountant
- Strongly supported the creation of a Landscape Committee
- Implemented a JL Finance Advisory Committee to review the budget and monthly performance Greatly reduced past due quarterly assessments (Improved collection policy & process)
- Proposed and executed consolidation of JL Cable to JLPOA financials to save costs
- Overhauled and updated Capital Reserve Study
- Improved Financial transparency by posting monthly financials on website
- Led effort to repair existing Water Control Structures to protect our freshwater lakes
- Successfully negotiated a new water access agreement for current water users and enabling additional Villages to access lakes for irrigation
- Continuing to serve as the POA Board liaison to the Water Users Advisory Committee and the Water Quality subcommittee.
- Negotiating with South Florida Water Management District (SFWMD) to increase irrigation allocations for proposed new water users
- Led Capital Reserve Task Force budgeting process for special assessment
- Continuing to serve on Capital Reserve Task Force to assure proper oversight of special assessment funding
- Supported the outsourcing of our security function to Cambridge Security

**PERSONAL:**

Since 2001 my wife CeCe and I have greatly enjoyed being part of the JL Community. We play golf, tennis, bocce and greatly enjoy the people we have met and the great friendships. I believe I understand what is needed for JLPOA to thrive, and hope to continue to build on the positive changes that have occurred since joining the POA Board.
