The Catholic Church sees the school as a tool of evangelization; an extension of parish life. Our parishioners believe so strongly in this, that they are willing to financially support YOUR child/children in our school. This only works if the school, in turn, supports the parish.

To receive “**in parish tuition**” you are agreeing to being an **ACTIVE** member of *Immaculate Heart of Mary* parish. This means that you and your family go to church on Saturday/Sunday, contribute to the collection on a regular basis, and are involved in at least one of the many ministries of the parish listed below.
