

As we restart Sunday School classes/departments, we will follow the appropriate physical distancing and cleaning practices. We will need to relocate some classes in order to apply all the appropriate physical distancing practices. Your Sunday School teacher will be the first point of contact for information about your class. Please be patient while we work out these details

As we look toward regathering again with eagerness and gladness of heart, we need to do so wisely. We know that some teachers and class are not ready to re-gather for in-person Sunday School and that's OK.

Please help us return by becoming familiar with and adhering to the following actions.

1. Doors open at 9:50 AM. Sunday School begins at 10 AM. At 10:40 AM, a transition begins to the worship center for the service.
2. Please maintain 6 feet between yourself and other families while on campus.
3. Please leave all food at home. However, you may bring your own coffee.
4. Greeters and all volunteers (teachers) will be wearing masks. Youth and adult teachers may remove their masks while teaching.
5. We ask each person (except children 4 and under) to please wear a mask while in classrooms, in the hallways, and in bathrooms (due to closer contact in smaller spaces. When you are one of our larger spaces (worship center, fellowship hall, Life Center and chapel), it is OK to remove your face covering when you arrive at your physically distanced seat.
6. Where appropriate, hallway doors are to remain open to help eliminate common touch points.
7. Try to use the stairs when possible. If the elevator is necessary, please limit to your own immediate family members. If the elevator is already occupied, be patient and wait for the next one.
8. When you arrive for Sunday School or for Worship, please refrain from physical contact (hug, handshakes, etc.) and move to your seat but engage fully and joyfully while abiding by physical distancing guidelines. Please sit only in approved areas and do not move chairs.
9. At the conclusion of Sunday School, please remain seated. Teachers will dismiss in an orderly way.
10. Hand sanitizer will be available in the foyer and in each room.
11. Please do not attend if you have any symptoms of Covid-19. (visit [CDC.gov](https://www.cdc.gov) to read the most current list of symptoms)

12. If you are in a higher risk category and do not feel comfortable coming back yet, we would love for you to participate in our online Sunday School options.

In each action, we will seek to balance our biblical mandate to gather, to submit to the governing authorities placed over us by God, and to love our neighbor by providing for the safety of everyone as we resume gathering. While the most vulnerable to the virus (elderly and those with serious underlying health conditions) may need to limit their interactions more than others, we will continue to think of our entire church family as we make our plans to safely regather as a church.
