

# City Tree Sunday

October 8, 2017

## First Presbyterian Church, San Diego Sunday Morning Worship Service

Please join us! Preschool (Loving Lights, Son Beams, King's Kids, Heavenly Angels) and K-5 grade students will be singing at the 8:30 service. The Middle School Band will be playing in both services. During the fellowship time on the patio the band will be playing and the City Tree Singers will be singing. City Tree children, parents, and staff come together with the congregation of First Presbyterian Church for worship! This is a wonderful time to meet and connect with First Presbyterian Church, as well as other families at City Tree.

### **Preschool and K-5 Students GATHERING**

**7:45AM** K-5 students and families gather in the Dining Room.

**8:00AM** Preschool children (Loving Lights, Son Beams, King's Kids, and Heavenly Angels) are dropped off in their classrooms

*Preschool parents gather in the Dining Room. We ask that preschool parents drop off their children with their teacher same as a regular school day. Please do not plan to stay with your child because this makes transition to the singing time more difficult. You will enjoy hearing them sing in the church service and then pick them up after the service in Room 105 to take them to the fellowship time in the patio.*

Childcare for non-City Tree siblings under 2 years of age will be available in the church nursery, room 105

### **8:30AM WORSHIP Service**

- ♦ City Tree Students will Sing! The Band Ensemble will play.
- ♦ Before the sermon, preschool-5th grade children will leave the sanctuary for Kidz Worship—a special age-appropriate time for them.
- ♦ Middle School students and Parents will remain in the service
- ♦ Teachers and staff will be commissioned for their year at City Tree
