Vacation Bible School is an outreach of First Presbyterian Church. It's primary purpose is to tell children of the love and truth of Jesus Christ and give them an opportunity to follow Him as their Savior and Lord. We intend to give children experiences and teaching in which they can grow spiritually, morally, creatively and relationally. We expect all staff to be role models in their faith, behavior, language, dress and attitudes. Remember that the children are to see Christ through us. I have read, understand and will abide by the above statement.
