Dear Friends and Community Partners,

City Tree Christian School is a preschool, elementary, and middle school serving downtown San Diego and surrounding areas. We are preparing for our annual fundraising Gala coming up in March of 2021. This fundraising event is very important to us. It is our largest fundraiser of the year and it will provide us the means to enhance our arts programs, assist with technology expenses, and fund other special projects.

As in the past, the success of our fundraiser exclusively depends on contributions from our community partners and friends who generously donate various items that will be included in our silent and live auction.

Your donation can be in any one or more of the following forms:

- Physical merchandise or gift certificates for products or services
- One-of-a-kind experiences
- Monetary donation

A donation form is available to fill out and return to us, along with your donation by *Friday, February 1, 2021*. To show our gratitude, you will be recognized as an event sponsor on our promotional materials seen by hundreds of families in our community. Please make a copy of the enclosed Donation Record for your records.

If you have any questions or need further information, please contact us at ctcs.gala@gmail.com. On behalf of the students, parents, and faculty of City Tree Christian School, thank you for your consideration.

Sincerely,

The Gala Committee
