

CITY TREE CHRISTIAN PRESCHOOL SUMMER PROGRAM

Summer is here; can you believe it!?!...

It's time to make sure your child is ready for summer!

We have a fun filled summer with many adventurous activities planned. We have fun weekly themes scheduled during our summer time and will continue to focus on the growth of the whole child through language and communication, social and emotional development, cognitive development, creative arts, and physical development.

Class Assignments & Summer Themes:

For some of our students, summer is a time to transition into a new class. To make this transition as smooth as possible I have listed the classroom assignments for your child on the back of this letter along with the themes for each week.

Important Dates:

- June 19- Preschool Resumes and Kinder Camp begins
- July 4 – Independence Day Holiday, No School
- August 18 - Last day of Preschool
- August 21-25 - Teacher Preparation Week, no students
- August 28 – 1st Day of 2017-2018 School Year

Summer Vacations:

Our staff is well known for their dedication, commitment, and many of our teachers have served at City Tree for many years and therefore have vacation time to take during the summer months. You will be seeing substitutes in the classrooms over the summer. Our goal is to try and provide consistency in the classroom so we work hard to have the same substitute for an entire week whenever possible. Your understanding is appreciated.

Prepare for Sunny Days:

Make sure your child is prepared and ready for fun in the sun for our outdoor summer activities!

- Please bring your child in with sunscreen applied each morning.
- During designated water play days please bring your child in their water clothes with a towel & closed toed water shoes (no open sandals, flip flops).
- Please make sure to bring a separate bag with their clothes, underwear, and a small towel. This bag will be used for their wet towel and bathing suit for you to take home at the end of the day. We ask all parents to make sure their child has extra clothing in their cubby (2x underwear, socks, shoes, t-shirt and shorts).
- Make sure all your child's items (clothing, bag, towel, shoes, lunchbox, etc) are **LABELED**.
- Please bring in a cold lunch, or if they bring something in that need to be warmed up, please warm up the lunch item at home (make it hot) and place it in a thermos. There are no emergency lunches or hot lunch provider over the summer months.
- During the summer we may have surprise patio picnics and will have lunch on the patio playground for the class assigned water play day.

Water Day flyers for your child's water play days & checklist of what to bring will be available the first week of summer classes. Thank you, we look forward to a fabulous summer!!!
