### SCHOOL EVENTS

In light of the current public health crisis, City Tree is creatively looking at ways to make the 2020-2021 school year enriching for your child and your family. Part of that process is carefully evaluating our events calendar to ensure that safety is the highest priority. This is an ongoing process as the public health situation evolves. Consequently, we are unable to publish an events calendar for the year in advance, but we will do our utmost to be sure you are informed as early as possible about special events.
