

## Program Overview

Assistance is available to qualified households towards emergency monthly rental/utility assistance for their primary residence.

Please note this program provides rental and utility assistance only. Assistance with other housing expenses including repairs, taxes and other costs are not eligible for this program.

Household income is determined as either the household's income for calendar year 2020 or the household's monthly income at the time of application. For household incomes determined using the latter method, income eligibility must be redetermined every 3 months.
