

# **Aqua Clara Universal Cartridge Filter**

Clean water for YOUR kitchen and the WORLD.

A large group of children, likely students, are shown from the chest up. They are wearing blue and yellow school uniforms. Many of the children have their hands raised in the air, some with open mouths as if shouting or cheering. The background is a bright, outdoor setting with trees and a clear sky. The overall mood is one of joy and excitement.

# Give Back.

Net proceeds from the sale of this filter will assist Aqua Clara in its mission to provide clean water to those in other countries who live on less than \$2 per day. Visit [aquaclara.org](http://aquaclara.org) for more information.
