

Spanaway Chapter report  
Happy New Year!

In the month of December Spanaway, chapter hardly stopped moving.

We escorted the Wreaths Across America semi from Puyallup to Orting. Several members also participated in the wreath laying ceremony the next day.

We donated a large amount of toys to BASH food bank for their annual toy giveaway. I was told not a single child was turned away this year.

We delivered holiday care packages to the residents of Orchard Park and Marymount. What a great experience that was!

Thanks to all that came out and supported our Christmas bake sale, auction and party.

Hope everyone has a fantastic 2023!
