

Hello Everyone!

I hope everyone is having a great summer so far; there has been some beautiful riding weather. I want to give a HUGE thank you to everyone who turned out for our F#!% Cancer fundraiser. It was in support of Jesse, whose wife, Ashley, had cancer and recently passed away. As it most always happens, we had a good turnout from a great group of people who were very generous, and a heartfelt thank you for your support. Thanks to everyone who donated items for the raffle, and a big thank you to Jet City HD for their ongoing support. Make sure you check your calendars and FB because there are lots of rides coming up this summer. Hope to see you on the road, and remember to be safe out there.
