

## Key Peninsula Chapter Report

Greetings from the 'Pen! How's your summer going!?! Hopefully well.. Ours has us busy with chapter stuff and our own personal lives as I'm sure is the case for you too. We are currently in the final preps for our Brewery Run coming up on the 1st of October. We will be starting the run at Echoes Brewing in Poulsbo. If you need help finding that, some of the chapter members are meeting early for breakfast at Hi Tides in Port Orchard. We'll be there at 8 and after breakfast roll up to Poulsbo and get the ride kicked off and moving. We are donating all proceeds taken in that day to the Key Peninsula Resource Center. Keeping it local is a good feeling! Come ride with us as we are putting a good one together. I know it's kind of late in the year but traditionally October does make for some of the best riding weather. Just join me in a prayer for dry roads for that day!

A couple of us from our's and Star Lake chapters recently rode with a group that also raises money for Key Pen. Resource Center and went on the 10th annual Ride for Kids. Great turnout, over 80 bikes. We will be grateful to get half the turn out and support they did but you never know. Your willingness to jump in and participate in these types of events always amazes me and makes me grateful to be a part of this community.

Plug for State Products. Cheryl and I will come to your chapter meetings with an abbreviated version of the Products store. If you would like us to do that send me an email and a list of the things your chapter members are interested in getting.

As always friends, Ride Safe, Ride Often and most importantly, Stay Cool!
