

RIDE LOUD, SPEAK LOUDER FIGHT FOR WHAT'S YOURS!

Motorcycle Riders Foundation 41st Annual Meeting of the Minds Conference Hits Shreveport, Louisiana – Sam's Town Hotel & Casino — September 25-28, 2025

The Motorcycle Riders Foundation is calling out the next generation of two-wheel warriors: It's time to take a stand. If you're 18-35 and Love Freedom, It's Time to Show Up or Shut Up.

You ride hard. You live free. You don't take orders — and you sure as hell don't sit back while bureaucrats try to control your throttle, your gear, or your life.

The Annual Meeting of the Minds (MOTM) — the most powerful motorcyclists' rights event in America — led by the nation's only motorcyclists' rights advocacy organization for street riders with full-time representation in Washington, D.C. -- since 1987!

The only place we're going is to the next fight to defend our rights! This isn't your granddad's conference. It's a full-on battle plan for the future of your freedom.

Why Should You Care? Because right now:

Lawmakers are trying to track your every move.
Insurance companies and safety cults want to control how and when you ride.
Autonomous tech is threatening to erase motorcyclists from the road entirely.
If you're 18 to 35, this is YOUR fight. Not tomorrow. Not someday. Right Now.

What You'll Get at MOTM 2025:

Inside Intel on what the politicians, regulators, and tech tyrants are doing that'll affect your ride — forever.
Hard-hitting sessions on AI vehicles, anti-motorcyclist bias, surveillance, emission regs, profiling, and more.
Nationwide networking with real riders, state leaders, and biker rights advocates who have been in the trenches for your rights.
A legit chance to influence the MRF's federal lobbying strategy for 2026.
First-time attendee 18-35? Your registration fee is discounted 35 percent!
“We're not here to play nice. We're here to protect our culture, our machines, and our rights. If you're a young rider who gives a damn about the future — don't just post about it. Be in Shreveport.” — Kirk “Hardtail” Willard, President, Motorcycle Riders Foundation

About the Motorcycle Riders Foundation

The Motorcycle Riders Foundation (MRF) exists to defend motorcyclists' rights in Washington, D.C., and beyond. We don't sell out. We don't back down. And we won't stop until every rider — no matter their age — is free to ride without interference.

This Is It. The Movement Is Waiting. Where Are You?
