

SKCC

October Chapter Report

South King County has been doing the beer garden at Jet City Harley Davidson and enjoying meeting motorcycle riders and talking about ABATE.

Members attended the Teddy Bear Rally. EPCC really put on a fun event. There were lots of activities for kids and adults. The kid's motorcycle ride and bike games are so fun.

Members also attended Run to the Desert at Soap Lake, hosted by Grant County Chapter. We had lots of fun and laughs.

Members attended several runs throughout the summer and fun run get-together during the week. We're trying to get these last few days of riding season in.

We're looking forward to STEAM/BOD in October and getting in a few more events/runs.

Ride Skillfully.
