

We Are The Motorcycle Riders Foundation:

The Motorcycle Riders Foundation (MRF) provides leadership at the federal level for states' motorcyclists' rights organizations as well as motorcycle clubs and individual riders. The MRF is chiefly concerned with issues at the national and international levels that impact the freedom and safety of American street motorcyclists. The MRF is committed to being a national advocate for the advancement of motorcycling and its associated lifestyle and works in conjunction with its partners to help educate elected officials and policymakers in Washington and beyond.

RIDE WITH THE LEADERS!		
		
Thousands of motorcyclists' rights activists have attended MRF sponsored annual regional and national workshops since 1985. These workshops provide the nuts and bolts, "user friendly" subjects and training to assist motorcyclists in defending, building, and strengthening their grassroots organizations. The Motorcycle Riders Foundation is proud to present their annual conference for politically motivated motorcyclists! Spend the weekend with some of motorcycling's most educated and dedicated activists. Learn what issues will impact bikers today and in the future! Use the applications below to join and support the Motorcycle Riders Foundation and to pre-register for the 42nd Annual Meeting of the Minds, September 24-27, 2026.

MOTORCYCLISTS' RIGHTS ARE NOT A SPECTATOR SPORT

Every year, riders tell us how important motorcyclists' rights are. Their list is usually short:

- Profiling matters.
- Access matters.
- Fuel matters.
- Freedom matters.
- Advocacy matters.

And they're right.

But rights are not protected from the sidelines.

They are protected by people willing to engage.

People willing to learn.

People willing to show up.

For decades, a relatively small number of riders have carried the responsibility of defending the interests of millions.

That reality must change.

Meeting of the Minds exists to help riders become part of the solution.

Because the future of motorcycling cannot depend on the same few people forever.

At some point, every rider must decide whether they are a spectator or a participant.

Meeting of the Minds -- September 24-27, 2026 -- Milwaukee, Wisconsin

Get off the sidelines. Motorcyclists' rights are not a spectator sport.
