

## EPCC Chapter Report

Hello, Biker Family! EPCC has had a very busy year. Our biggest news is the return of our Teddy Bear Rally family weekend, which was held at the end of July. We had a blast with bike games, kids' games, and kids-on-bikes games! An inflatable waterslide bouncer cooled the kids (and some brave adults) on those 90-degree days. Two live bands entertained amidst great food, camping and camaraderie. Five Chapters, some MC representatives, and eight vendors joined in. Firefighters gave a fun, informational "tour" of a fire engine. Throughout the fun, we raised over \$1500 to support East Pierce Fire & Rescue as well as cash and school supplies for B.A.S.H.

Our current Board of Officers remains in place after our September election.

I'm looking forward to the new school year and the beautiful colors of fall. Be safe, everyone, as the weather begins to change, evenings darken, and kids & school buses are all around us. See you all at STEAM!

Laura Cain  
EPCC Secretary and LAO
