

KEY PENINSULA CHAPTER REPORT

Greetings from the 'Pen and Merry Christmas to you all...or at least Happy Holidays if you prefer. We've been busy helping out North Kitsap chapter with their annual toy run for children at St Michael's hospital in Silverdale. Definitely a worthy cause and we are glad to help and hope with a couple extra events we had in Port Orchard that this event is even that much more successful this year. Hi Tides and Yoked both rolled out the red carpet for us to hold an extra wing ding and an extra toy collection/fundraising event. The wing ding at Hi Tides was well received and the folks that run that establishment were overjoyed to host. They've already invited us back for next year and so got one wouldn't miss it! Thanks for all involved. Look for next month's issue for pics of drop off day!

Stay cool!!
