

Hello from SKCC

Already halfway through February, as I pen this letter, time sure does fly. January 1st was our 36th annual Polar Bear Run, which has been held every year since 1989, and we had a nice turnout. The weather was cooperative and our run was dry...we've been blessed the last couple of years with good weather. This year, the ride was to raise funds for the Auburn Humane Society, and we will be presenting them with a check on 2/18 for \$857.28. Thanks to everyone who participated. Coming up quickly is the state swap meet on March 23rd, I hope to see you there. SKCC's next ride will be our Fools Gold Run in April. I will keep you updated with the details. You don't want to miss our big fundraiser of the year, Outta Control, on May 3rd at the Red Dog Saloon in Maple Valley. Live music, loads of stuff for sale, and live auctions during the band intermissions. This one is always a fun time and quite often you can find hidden treasures among the donated items. Oh, with that being said, if you want to donate anything, just give me a jingle. Until next month keep the rubber side down and ride safe.

Kevin, Coordinator
