

KEY PENINSULA October Chapter Report

Greetings from The Pen'!

Was a little cold riding my bike in to work in the early morning the last few days. Summer ain't over just yet but the end of a good one is near. We over on the Key Pen all hope you had a good one. We did and it was nice to see some of you on the road whether it was your run, our run, someone else's run, Spring Opener or wherever if we crossed paths, rest assured we were glad to have and appreciated seeing you.

We have new officers stepping up in our chapter please join me in welcoming our new deputy coordinator Nick Gourley, new Treasurer Marci Logue and our new chapter secretary Glenn Giess. All great folks who will make our chapter continue to run smooth. For whatever reason, gluttons for punishment I guess, our chapter decided I should stay on again as coordinator. How am I gonna say no to that vote of confidence!?!

As always, Stay Cool!
