

Greetings, everyone, from Star Lake Chapter,

April 15, 2025

We conducted our Chapter meeting on April 6th, 2025, 11 am at Rail Hop'n Brewery in Auburn. The chapter discussed the details of hosting the April 19th BOD at the Am Vets in Tacoma. The chapter was briefed on the Star Lake booth and volunteer support at the ABATE Swap Meet in March (pic 1 & 2). The Nyland's donated 150.00 of their booth sales to the chapter's general funds. The BBQ Pit display (pic 3) took in \$65.00 toward the ongoing raffle sales. The chapter will continue to work on the route and plans for the annual charity benefit ride on June 7th. The chapter was briefed on the adjustments to the By-Laws and resubmitted to state for approval. It was also announced that the chapter coordinator will no longer be doing live feed at the meetings. Reminded members that if they plan to record the meeting, they must ask permission from all attending members for approval. Products is very close to getting the digital replica of the original Star Lake logo pattern. The chapter LAO John Love reported the weight fee is starting over and there is a conflicting between lane filtering and right shoulder being discussed. The chapter will be discussing details at next meeting concerning the June charity ride, Spring Opener events, raffle ticket sales and upcoming rides with other ABATE chapters. The next meeting will be on Sunday May 4th at 11am at Rail Hop'n at address 131 E Main St. Auburn). All are welcome to attend.

Star Lake Chapter 2025 events:

- A few chapter members attended the SKCC Fools Gold Run in March
- Few members participated and sold items at the ABATE Swap Meet in March
- Participate and attend other ABATE chapter events throughout the year
- Star Lake host the April 19th, 2025, BOD
- Planning Chapter Benefit Ride June 7th, 2025
- Planning and participating at the Spring Opener 26-29 June

Now for this month's safety note. I have personally replaced both front and rear calipers and brake fluids for the first time on my 2010 Heritage Softail. Let me tell ya, it needed it. So, my advice to all is please check out your brake system, especially on older bikes. I am much more confident with the bike under me with new brake system and new tires. Feels like a new bike again. As always, remember the three S's - Stay Alert, Stay Safe, Stay Alive. See you down the road.

Star Lake Chapter, Coordinator

Ken Nyland
