

Greetings from North Kitsap!

**This month we are focusing on our "After Party" Fundraiser happening directly after the BOD meeting on April 16th.** We have a green light to have a great time at the Cloverleaf Bar and Grill. We will have card and dice games (with an actual gambling license in effect in case anyone needs to know), cornholes, and other games happening, there will be a short ride around the area for those that don't want to play games. Then at 6, we'll have the raffles, drawings, prizes, etc... followed by dancing the night away with a great DJ playing all the best dancing music available... the request list is in effect until 10 pm. Local accommodations are available for overnight guests. This is a Chapter Fundraiser for ABATE, so bring the money clip out of the shoebox and come on down to party with us!!!

Bert Montgomery is home and on the mend... Chris Varner Jr. turns **50**... and.... WE HAVE A NEW DEPUTY COORDINATOR KELLIE!!!

2nd Annual Mutt Putt is coming up in June on the 18th (Mark your calendars) and this year we have special permission to solicit/gather donations of Pet Food and Supplies/Cash in front of Bremerton Walmart on June 11th to help these Humane Society's. This is coming together so beautifully... we feel blessed by our community and their support of our Chapter.

Thank you to the Membership, Activities Committee, Board of Directors, and everyone that participates in these events... These things don't happen without you!

Ride E-Z
