

Spanaway Chapter Report. 02/15/2023

We are definitely off to a running start for 2023.

Our Chili Cookoff was a huge success. 21 pots of chili were entered into the competition. Support from other chapters was vital to the success of this event. And Spanaway chapter members really stepped up in putting this together.

We have a busy late Winter and Spring ahead of us. Soup Challenge in February. Wing Ding & Swap meet in March. Bike blessing & John K run in April.

We are looking forward to another great year! Hope to see everyone in the wind!
