

February meant it was time for our Annual Chili Contest. Meeting / Contest day dawned to snow, but we plowed through and had a good turnout. After the February Business Meeting, we adjourned downstairs to the serious business of tasting various Chili Recipes. After all the ballots were counted the Winner was Tiffani, our Chapter Secretary. I was happy to present her with the trophy, which She will have to defend next year!

Thank You to Holly & Tony for hosting the Contest this year.

We signed up two new members, Andrea and Mike, who came to our Membership Drive / Campout over Labor Day Weekend. Welcome aboard!
