

We Are The Motorcycle Riders Foundation:

The Motorcycle Riders Foundation (MRF) provides leadership at the federal level for states' motorcyclists' rights organizations as well as motorcycle clubs and individual riders. The MRF is chiefly concerned with issues at the national and international levels that impact the freedom and safety of American street motorcyclists. The MRF is committed to being a national advocate for the advancement of motorcycling and its associated lifestyle and works in conjunction with its partners to help educate elected officials and policymakers in Washington and beyond.

Who Will Carry The Fight Forward?

Who will be sitting in these chairs ten years from now?

Every movement eventually faces the same questions.

- Who comes next?
- Who will testify before lawmakers?
- Who will organize local riders?

- Who will monitor legislation?
- Who will protect the freedoms that riders enjoy today?

The answer is not found in Washington. It is not found in state capitol buildings.

It is found in riders willing to become involved.

For more than four decades, experienced advocates have passed their knowledge, strategies, and lessons learned to the next generation at Meeting of the Minds.

That tradition continues in Milwaukee.

Meeting of the Minds is where future leaders gain the tools, confidence, and connections needed to become effective advocates for motorcyclists' rights.

Every rider who attends has the opportunity to learn something valuable.

Every rider who attends has something valuable to contribute.

The future of motorcycle rights depends on what we do today.

September 24-27, 2026 -- Meeting of the Minds -- Milwaukee, Wisconsin

The next generation of leaders won't appear by accident.

They must be developed.
