

### Greetings to all from Star Lake Chapter,

We had our monthly chapter meeting on April 3<sup>rd</sup>, 2022, 10 am-11 am, at Purdy's Public House in Sumner. The chapter discussed old business, upcoming 2022 rides, and future event participation. The Road Captain, Sergeant at Arms, and Deputy Coordinator report still working on a chapter ride event for June. The committee for the Hope Sparks Benefit ride (September 10<sup>th</sup>) decided to do a pre-ride to several places in the area to determine the best place for the final stop. The committee decided on the Yella Beak in Buckley as the last stop and reserved it for the date. The committee will now focus on the ride route details, swag for raffle tickets, and the silent auction items. Many thanks to our chapter members that volunteered to help at the ABATE Swap Meet in Monroe on March 26-27, which turned out to be a great success (Pic1-3). Lastly, we discussed the need to create a committee to review our bylaws before the new officer's sign. Decided to wait until the chapter Bi-Laws representative had a chance to review the state bylaws. Our next meeting will be at Purdy's Public House on May 1st at 10 am. All are welcome to attend our next chapter meeting.

Star Lake Chapter 2022 participation in recent and future events:

- Participation in state and other chapter sponsored rides and events
- Attend Spring Opener in Randle Washington in June
- Planning for Star Lake chapter ride early summer June 17 or 18
- Planning for future Star Lake 5<sup>th</sup> Annual 'Run for the Hills' Hope Sparks benefit ride on September 10<sup>th</sup>, 2022.

Now for this month's safety note. As we start getting out and around, be aware that the road conditions are not in good shape in some areas. Loose gravel, potholes, divots, and debris have cluttered the road over the recent winter months. It would be wise to check road conditions on WSDOT before heading out on unfamiliar roads. As always, the road may be the same, but the journey is always different.

Be safe out there. See you down the road.

Star Lake, Coordinator

Ken Nyland
